HSPEED HERAKLES MINI AC CHARGER 60W

Cena brutto	219,60 zł
Cena netto	178,52 zł
Dostępność	Dostępny
Numer katalogowy	HSP0017
Kod producenta	HSP0017

Opis produktu

The H-SPEED HERAKLES MINI is a small miracle of charging. Despite its size, the HERAKLES MINI supports a large number of batteries available on the market.

With its charging power of 60W, the HERAKLES MINI 2-4S charges lithium batteries with up to 6 amperes in the fastest possible way.

The display shows all the necessary details such as charging capacity, battery status and much more. at.

The optimized software automatically adjusts the charging and discharging voltage and can thus avoid damage caused by overcharging.

In addition, a USB port can be used to charge mobile phones or tablets.

Technical specifications

- Input voltage: AC 100-240V
- Charging power: 60W
- Discharge power: 10W
- Charging current: 0.1-6.0A
- Discharge current: 0.1-2.0A
- Equalizing current: 200mAh/cell
- LiPo/LiFe/Lilon/LiHV Number of cells: 2-4 series
- NiCd/NiMH battery Number of cells: 6-8 cells
- Pb battery power: 6V-12V (3-6 cells)
- Loading profiles: 10 profiles
- Dimensions: 115x95x50mm
- Weight: 320g
