Opis produktu

Type: Phillips Screwdriver
Tip size: 5.0mm
Tip length: 120mm
Version: 25 Years Anniversary Limited Edition

Features super-lightweight CNC-machined Swiss 7075 T6 aluminum handles with a diamond pattern surface for unsurpassed grip.

The new generation of HUDY tips is hand-made from special world-renowned, top-secret, self-developed HUDY Spring Steel™, individually precision-grounded, sized and shaped for perfect fit with fasteners. Unique hardening processes make the tips ultra-durable. All pins are replaceable for great economy.

Handle includes the plastic cap in black colour press fitted into the handle end. Optional color-coded plastic caps (violet, red, blue) are available to customize the tools to your specifications.
