## Opis produktu

Milansport Wing Mount ensures the perfect fit of your rear wing on the body. This holder provides extra reinforcement for the wing around it mount. This will prevent the rear wing mount area from getting deformed from too much downforce at high speed that is applied to the wing!  
There been also special designed shims to fit into the wing mounting area preventing it to deforming when mounted.

This Holder fits the ZooRacing Wolverine shell.

In set:

- 2 wing holder
- 2 special design shims
- 2 screws
