Opis produktu

MR33 Setup Tool Stand (Attachable incl. MR33-TO)

On the aluminum MR33 Setup Tool Stand you can place your setup system perfectly organized. There are provided recesses for the setup system, the acrylic measuring plate and the setup system nuts. The tray is milled from aluminum, black anodized and of course with a MR33 logo!

Info: "The MR33 Setup Tool Stand Tool can be connected to the MR33 Tool Organizer (MR33-TO) with the already integrated magnets. Also Tool Organizer and Setup Tool Stand are also available as a set (MR33-TO-SET)".
