Opis produktu

Complete set of precision-molded, low-friction composite belt pulleys + covers and collars made of specially-formulated graphite composite material that is a perfect balance of reliability and performance. Reduces friction and increases performance. Orange color. A “must have” for every serious racer who wants to improve the efficiency of the drivetrain

Includes the following pulleys (which are also available separately as spare parts)

- [#345800-O Composite Belt Pulley Cover Set - Graphite](#)
- [#345820-O Low Friction Composite 2-Speed Belt Pulley 20T - Center - Graphite](#)
- [#345838-O Low Friction Composite Side Belt Pulley 18T o8 - Rear - Graphite](#)
- [#345858-O Low Friction Composite Front Belt Pulley 18T o6 - Center - Graphite](#)
- [#345888-O Low Friction Composite Side Belt Pulley 28T - Front - Graphite](#)
- [#345889-O Low Friction Composite Side Belt Pulley 29T - Front - Graphite](#)
