### Opis produktu

Happy to announce the release of a **Alexander Hagberg** Rubber Bumper Edition for Xray X12. It's been made from a flexible and durable material. Design was made for better support of the bodyshell in front for the most lola type shells.

This design was made for Alexander to meet his needs and demands. After few test runs Alex found the perfect shape for his driving style and use.

Width is legal according to the rules.

#### Measurement

height - 8mm

width - 115mm

the distance from the body post to the beginning - 22mm
